

PAK TURK
INTERNATIONAL HOSPITAL

Partners in Health Cure and Hope.....

OUR VISION

The vision of our **Pak Turk International Hospital** is to be a corporation of excellence in collaboration with our community partners. We will strive to be the best health center in our state and beyond with affordable accessible primary health care in a manner that exceeds patient expectations.

OUR MISSION

The Mission of our **Pak Turk International Hospital** is to provide high quality, cost effective, comprehensive primary and preventative health care in the communities we serve. We are dedicated to the continuous improvement in services being provided to decrease health disparities regardless of patients ability to pay.

Values

- **Workplace Culture:** We strive to work in a positive atmosphere with a positive attitude.
- **Caring and Compassion:** We treat those we serve and one another with concern, kindness and respect.
- **Honest and Integrity:** We act openly and truthfully in everything we do.
- **Team Work:** We work together cooperatively, recognizing the power of our combined efforts exceeds what we can accomplish individually.
- **Community:** We acknowledge our vital role in local communities and we seek to understand and serve their needs.
- **Excellence and Quality:** We are committed to quality and to adding value in every aspect of our work and we strive to exceed the expectations of our customers.
- **Education, Teaching and Training:** We strive to create an educational environment for our patients, our employees and for the training of medical professionals dedicated to serving the disadvantaged.

Chairman's Message Mr. Masood Ur Rehman

The mission assigned to this state-of-the-art hospital is to provide accessible and affordable quality health care and education to all with empathy, dignity and respect irrespective of their caste, creed, color, religion or the ability to pay.

The hospital is well equipped and excellent tertiary care services are being provided 24/7 to all as per our mission statement. Multiple free medical camps, Besides this, the hospital runs Outreach Centers at various locations where specialists and family physicians render their services apart from laboratory samples collection.

We are continuously striving to go beyond the expectations of the stakeholders and to utilize the funds in the most appropriate and optimal manner with due diligence and utmost transparency. We highly regard the spirit and passion behind our allocated funds for the well-being of masses who otherwise stay deprived from quality health care due to poor financial condition and paucity of resources. Therefore, unmatched mechanism of audit and accountability is emplaced with care to boost the confidence of our respectable Partners.

The Pak Turk International Hospital is working under the supervision of a team comprises of dedicated, spirited and motivated associates who are determined and consistent to convert the dream of its founders and trustees into reality with hard work, passion, professional excellence, dignity and respect for humanity. I am humbled to have been blessed with the support of trustees, donors, corporate organizations and my team members!
